

Livingston Place Special Holiday Edition 2011

It has been a busy and productive year for Livingston Place.

The building's LEED EB:O&M (Existing Building: Operations and Maintenance) project has been a very detailed and lengthy process, but it has helped us tighten up our building policies and procedures. We expect to receive our certification early in 2012.

We completed the installation of a complete electrical sub-metering system throughout the building, which will help us pinpoint areas for energy savings and provide us the ability to better track how much electricity we are consuming on a floor by floor basis.

Livingston Place introduced clean paper towel and organic recycling programs to the already extensive recycling programs in the building.

LED lights have been added to all of the trees in the front landscaping to match the Plaza, brightening up the area during those long winter nights.

Think Green !

Why spend money on Holiday cards, party invitations and stamps for something that will end up in the recycling or garbage bin? Canada Post adds 575 daily flights to deliver 787.3 million cards, letters and parcels during the holiday season. Reduce this demand by using electronic alternatives that can be customized. The following sites have great cards to choose from. www.evite.com, www.123greetings.com or www.bluemountain.com.

Charity Fund/Donations

Bentall Kennedy is committed to working towards common fund-raising goals and increasing building awareness of local community and charity events.

Children's Wish Foundation

The building pop can/bottle recycling program generates much needed funds for the Alberta Children's Wish Foundation. Between January and October 2011, we have been able to donate \$24,598.30 towards granting wishes for children diagnosed with life threatening illnesses. To read more about some of the wishes that were granted this year, through your generosity and support, please visit the website www.livingstonplace.com.

Following is some of the charities we supported in the last quarter of the year.

United Way of Calgary

On October 4th, Livingston Place hosted a mini golf tournament in the plus 15 Lounge to raise funds for the United Way. With your help we raised \$787.

Jacket Racket

During Waste Reduction week a donation box was placed in the main lobby of the building for Jacket Racket. Over 250 items of clothing were donated including 177 jackets, a number of ski/snow pants and numerous gloves/mitts and scarves. All of these items will be distributed throughout the Calgary school system and emergency shelters.

Calgary Inter Faith Food Bank Drive

*We are holding a Holiday food bank drive again this year in support of Calgary Inter-Faith Food Bank. We urge you to bring in your non-perishable food items between November 14th and December 9th. The collection box is located on the main floor adjacent to the Security Desk. Your donation will entitle you to one ticket for a Holiday Gift Basket raffle that will be drawn on Monday, December 12th. The Gift Basket is located at the Security Desk for viewing. **Lets make this endeavor a great success!***

Joy Peace Hope & Happiness
