

Livingston Place Stampede Breakfast

Yee haw! It's that time of the year again, The Calgary Stampede. For one full week we get to exchange our regular office clothes for something a little more relaxing and appropriate for this time of the year, jeans!

We are hosting a Tenant Stampede Breakfast on Tuesday, July 12th at the Livingston Place Plaza between 7:00am and 10:00am. This is a private function for the tenants of Livingston Place and BP Centre only so please don't forget your building access card. There will be good food, a great band, lots of entertainment, games, a 50/50 draw, raffles and really great prizes. The breakfast will be a Zero Waste event again this year,

served on 100% compostable materials. All plates, cutlery, napkins, cups, stir sticks and food waste can be placed in the containers labeled "compost only." After the function, the waste will be removed from site and sent to Olds College to be composted.

This year we will be supporting Inn from the Cold, an organization that is committed to providing the first step in ending homelessness for families in Calgary. All funds collected at this event will go directly to help support Inn from the Cold purchase desperately needed beds for the families at the shelter. More information on Inn from the Cold can be found at www.innfromthecold.org.

Building Website

For an electronic version of the newsletter please visit our website at: www.livingstonplace.com Visit often for additional articles and coupons.

Focus on: Gateway Newstands

Located on the main floor lobby in the South Tower of Livingston Place, Gateway provides a great service to the tenants of the building. Gateway Newstands has established itself as a leading national news store specialist supplying products such as magazines, snacks, beverages, cards, reading material, lottery tickets, transit tickets and

even a Dry Cleaning service to mention a few. During the month of July and August, 2011, Gateway will be providing customer appreciation specials for the tenants of the building. Please see attached coupon for detailed information.

We are fortunate to have the convenience of Gateway Newstands in the building.

Sustainability/Recycling News

Materials Exchange Program

Recycling has a lot of obvious benefits. It reduces the expansion of landfill sites and saves the environment from adding new ones. Water and energy consumption and pollution are significantly reduced when opting for recycling over producing from fresh materials.

The Materials Exchange Program is specifically for reusable items such as office electronic equipment and office furniture.

If you have an item that you would like to give away, please send the information on the item, be as detailed as possible, along with your contact information so that you may be reached by the interested party, to the Tenant Relations Manager Nancy Strome at nstrome@bentallkenedy.com. The item(s) will be posted on all of our downtown building

websites for a period of three months.

Whether you are looking for, or giving away a reusable material, the Livingston Place website is the place to go. To view current items, please visit the website at the following:

www.livingstonplace.com. The Materials Exchange page is located under the Sustainability Tab.

Great Monitor Shutdown Challenge

During Environment Week 2011, tenants challenged each other to find out who could turn off the most computer monitors before leaving the office every day. Congratulations to QV Investors the winner of the Great Monitor Shutdown Challenge! Through their collective efforts, QV Investors finished the week with a final result of 99% of the office shutting down their

monitors every evening. Well Done!! For their efforts, QV Investors has won a Lunch & Learn of their choice to be held in the conference centre. Thank you to everyone that participated!

Extended Recycling Centre

Bentall Kennedy LP is committed to being a leader in sustainable practices and is pleased to provide an extended recycling program for the tenants of Livingston Place. The Recycling Centre is located on the P1/loading dock level in the Parkade. Tenants are invited to bring down their items and place them in the appropriate labeled containers. We are now accepting Toner Cartridges as part of our regular recycling program. If possible, please place the cartridges in their original packaging (or in a box) to prevent toner from spilling.

Tips for a "Green Summer"

Purchase a rain barrel to harvest rain water from your roof.

- Water use in Calgary doubles in the spring and summer months due residents to watering lawns and gardens;
- Rain water is better for your garden and lawn as it has no added chemical and it is the right temperature for the plants;
- The average Calgarian will get 200 barrels of rain from their roof during the growing season;
- Harvesting rain water decreases the amount of storm water entering the river without treatment;
- Using a rain barrel decreases your greenhouse gas emissions associated with water treatment.

Blood Donor Clinics - Livingston Place

Blood Donor Clinics are scheduled to be held in the Livingston Place Conference Centre, 222 3rd Avenue SW, south tower, +15 level, from 8:30am to 1:30pm on the following dates:

Wednesday, July 20th
Wednesday, September 21st
Wednesday, November 16th

All tenants are welcomed to participate.

Call 1 888 2 DONATE (1-888-236-6283) to book your appointment today.

Through the Blood Donor Clinics held on March 9th and May 4th your donation of blood helped to save a total of 408 lives.

Charities and Fundraising Events

Children's Wish Foundation (Alberta Chapter)

Established in 1984, the Children's Wish Foundation is a national non-profit organization dedicated to fulfilling a favorite wish for children diagnosed with life threatening illnesses. Since its inception, Children's Wish has granted more than 17,000 wishes for children and their families and fulfills approximately 900 wishes annually. This charity relies on the support of its donors, corporate sponsors and volunteers to make certain that no wish is refused. They have established themselves as one of the most recognized registered charities in Canada and have never turned down a wish from a child whether that be a computer, travel to some destination, meet a celebrity or have their family move closer to them. Through our building Pop Can/Bottle Recycling Program, we have been able to raise almost \$9,000 dollars for this charity between January and April, 2011. We will continue to keep you updated on the funds raised in future Newsletters.

Japan Disaster Relief Pizza & a Movie

On March 30th Livingston Place, in partnership with Autonomy's Social Club, held a charity event in the Livingston Conference Centre to raise funds for the Canadian Red Cross Japan Disaster relief effort. For a minimum donation of \$5.00 tenants were given the opportunity to watch the documentation "Asian Tsunami Disaster" and enjoy a Pizza and Pop lunch. \$2,120 was raised through this endeavor with both the donation from the lunch and from those who chose to donate thru the Red Cross Website in support of this initiative. Thank you everyone who participated.

Veterans Food Bank Drive
Our annual Spring Food Bank Drive, in support of the War

Veterans of Canada, was a great success again this year. For three weeks between April 4th and April 21st bins were placed in the main lobby of the building for food donations. By the end of this campaign we were able to donate over 1,000 pounds of food to the Veterans Food Bank Drive through your generous donation of non-perishable food items. Thank you for your continuous generosity to the Veterans Food Bank every year!!

CANADIAN
LIVER
FOUNDATION

Canadian Liver Foundation

During the month of March, the Canadian Liver Foundation set up tables on the main floor lobby during the lunch hour to sell Daisies. The campaign was a great success and with your help, \$2,800 was raised during the three lunch hour events. Thank you to everyone who purchased these bright and cheerful flowers during the Spring for Daisies Campaign in support of the Canadian Liver Foundation.

Wine & Cheese in Support of Inn from the Cold

On Thursday, May 5th, our 2nd annual Beer & Wine Tasting Event was held in the Livingston Club. This year 100% of all of the funds raised were donated to "Inn from the Cold" in support of their efforts to end homelessness for families in Calgary. Attendees were entertained by the soulful jazz music of Scott Hill, enjoyed hor d'ouvres by Osteria de Medici and a variety of Beer and Wines provided by Enoteca. The first 100 people received a beautiful hand painted wine glass to keep as a souvenir. The event was well attended and with your generous support we were able to raise \$3,100 for this charity!

Upcoming Building Events

*Farmers Market
Livingston Place
August 17th*

Are you a Big Fan of the Farmer's Markets but finding it hard to get to? If so, then you are going to enjoy Wednesday August 17th between 10:00am and 3:00pm in the Livingston Place Plaza. That's when we are bringing the Farmer's Market to you! Come shop from local producers of meats, fruits, vegetables, preserves, desserts, baking, artistic goods and much more. There we will be some great musical acts to entertain you and delectable food to enjoy! Bring your environment friendly bags and head down to the Plaza!

Life Safety

Just a reminder of the Muster Points for Livingston Place should there be an evacuation for any reason:

North Exit - Courtyard (north side) of Livingston Place, situated on the corner of 2nd street and 3rd avenue;

South Exit - +15 Level of BP Centre

*Fashion Show
Jamieson Place
August 26th*

On August 26th, head on down to the Winter Garden of Jamieson Place and catch a sneak peek of the Fashion Show being held that evening in support of PARK. This is an entirely volunteer based organization with 100% of all profits from all events going towards funding emerging artists and hosting future events that benefit the community. Advance tickets to the show may be purchased during the lunch hour at a discounted rate for tenants of our buildings. The premise of the event is to host a high end fashion show and art exhibition which gives exposure to new emerging artists and designers while raising funds for the organization.

Help us Help you

Our Operations/Maintenance staff work hard each day to keep the building occupants comfortable and the building running smoothly. Here are some of the ways you can help us help you:

- DON'T put stir sticks or anything else down the kitchen sinks – if it wouldn't go down your sink at home, it won't go down the sink at work;
- DON'T flush feminine hygiene products down the toilet – the toilet will back up;
- DO use the ashtrays pro-

vided outside of the building;

- DON'T smoke in non-smoking areas – often this is near fresh air intakes where the smoke is pulled into the building;

- DO contact ClikFIX (1-866-254-5349) if you see any burned out lights or plumbing issues;
- DON'T block perimeter registers or try to manipulate ceiling air diffusers – this can cause worse temperature/air flow problems for both you and your neighbors.

Livingston Place Fitness Centre

Registration for all boot camps

Summer is here, it's time to get out and enjoy the sunshine! The fitness centre will be offering outdoor boot camps on Tuesdays and Thursdays beginning July 12th and ending August 25th. Tuesday classes run from 12:30pm until 1:15pm and Thursday classes run from 11:15am until 12:00pm. Cost is \$50. each. Registration begins June 13th @ 7:00am - hurry, space is limited!

In an effort to keep your change rooms as clean as possible, we will be doing routine cleaning and maintenance every Wednesday from 9:00am until 10:00am. During this time the fitness centre change rooms will be closed. You may still use the locker rooms on the P1 level and the workout area will remain open. Thank you for your cooperation. Have questions or comments? Contact Curtiss or Ross at: www.livingstonfitness@bentallkennedy.com or 403-716-2007.
